

Nissan Forklift

Nissan Forklift Training Richmond Hill - Nissan takes immense pleasure in achieving total customer satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with solid production principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing customer support, the company has four separate manufacturing facilities that permit them to persistently adapt to their clients continually evolving wishes by offering a variety of modern ideas and designs.

The Nissan Forklift North and South American center is located in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental responsibility by using systems that limit the global effect of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their customers require whilst being an environmentally conscious company.

Nissan is certain that they will be able to address any buyer inquiries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even going to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
